

Dr. Helen Turnbull, CSP

WORLD-RECOGNIZED THOUGHT LEADER IN GLOBAL INCLUSION, UNCONSCIOUS BIAS AND DIVERSITY

EMPATHY, AWARENESS, TANGIBLE IMPROVEMENTS, ACTION

“Helen Turnbull manages the rare feat of engaging audiences with good humor and energy on the highly serious subject of unconscious bias in the workplace. Her global experience, outstanding results, and great empathy with people at all levels create not merely awareness, but an urgency to improve and progress. Her enthusiasm is infectious and she creates immediate focus, action, and behavior change.”

Alan Weiss, Ph.D.—Author, Million Dollar Consulting

Dr. Turnbull’s work has contributed to clients winning awards for improving gender acumen and creating a more inclusive work environment. She is the creator of the **Cognizant Unconscious Bias Assessment Tool**, **The Gender Gap Assessment** and the **ISM Profile for Measuring Inclusion Skills Gaps**.

Dr. Turnbull is the author of **The Illusion of Inclusion: Inclusion, Unconscious Bias, and the Bottom Line** and **Blind Spots: An Interview on Unconscious Bias**.

Keynotes

INCLUSION MATTERS

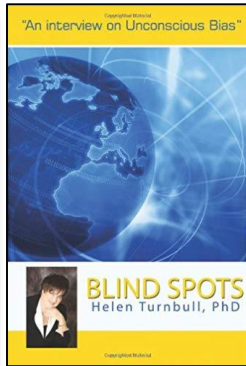

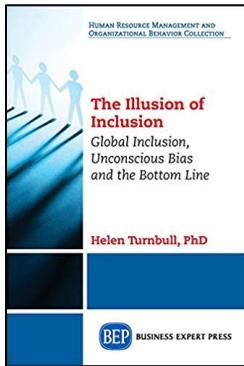

Dr. Turnbull’s keynote blends humor, relevant anecdotes and proven research from her own assessment tools to demonstrate why we need to pay better attention to the complexities of inclusion and to understand the impact of unconscious bias on the quality of our decisions.
