

GENDER GAP ASSESSMENT TOOL

The Gender Gap Assessment provides an ideal platform to encourage crucial conversations across and within gender groups. It will help your leaders to improve Gender Acumen and engage both genders in creating tactical and strategic solutions toward closing the Gender Gap.

- Gender Perceptions
- Gender Collaboration
- Gender Communication
- Gender Conflict
- Development and Advancement of Women
- Gender Equity
- Embedding Gender Inclusion

"Companies with 20% women in senior leadership are twice as likely to create new solutions."
Conference Board / Ernst & Young
